of employers say they've hired the wrong person for a position.

- CareerBuilder

When it comes to adding a new member to your team, the details matter.

Hiring a core employee is a challenging endeavor. That's why one of the most important parts of our process is understanding what a successful placement looks like for your open positions. It's how Express helps take the hassle out of building and maintaining a strong, productive workforce.

Direct Hire

Following a comprehensive sourcing and recruiting process, new core employees are placed directly with your company, on your payroll, for a one-time fee.

How It Works

Together, we'll establish the parameters of your open position, then our recruiting experts go to work sourcing qualified candidates that fit the requirements. All candidates are pre-qualified and evaluated before you meet them, making the interview and hiring process as efficient as possible.

The Benefits

- A one-time fee
- Sourcing, recruiting, and qualifying is done for you
- Access to a broad base of top local talent
- Strategies to recruit both active and passive candidates
- Professional representation of your company during the hiring process
- Increased productivity
